Are you interested in the environment?

Do you have ideas that could promote
sustainability?

Do you care about the local community?

Would you like to join together with friends or classmates from school to put forward some ideas that could change our future for the better?

Some suggestions are listed below but feel free to come up with your own ideas:

- Document wildlife & map local green spaces.
- Set up or be part of a 'grow your own' scheme, growing vegetables to reduce food miles & plastic waste.
- Investigate brownfield sites as an alternative to the green belt sites in Kings Langley which are proposed for development.
- Identify wildlife, protected trees and other points of interest in the green belt areas proposed for development.
- Identify ways of reducing your (or your schools) carbon footprint.
- A plan for better signage for key walking and cycling routes in the village.
- Improve recycling in the village.

Who... Aimed at Senior School age pupils from within the village. Get together with a group of friends & put together a proposal or put something into action & tell us about it. Could be a written proposal; a model; a video of something in action or a digital presentation.

When... to be delivered by March 27th 2022 to Kings Langley Parish Council. Address: *Charter Court, Vicarage Langley Kings Langley, WD4 9HR*

Or Email: klpca@kingslangley-pc.gov.uk

Judging... The winners will be announced by the Parish Council at the Annual Parish Meeting on 20th April and will be judged on viability and merit and **£200 prize** awarded to the school.

So, go on – put your thinking caps on and think about tomorrow today.
